

Subscriber

```
graph BT; NotificationService --|> Subscriber
```

A UML class diagram showing a vertical inheritance relationship. At the top is a box labeled 'Subscriber' with a light gray fill and a black border. Below it is a box labeled 'NotificationService' with a white fill and a black border. A solid blue arrow points from the bottom center of the 'NotificationService' box to the bottom center of the 'Subscriber' box, indicating that 'NotificationService' inherits from 'Subscriber'.

NotificationService
